

# THE COMMUNITY BETTERMENT FOUNDATION

SPRING 2023

## LOVE FOR THE COMMUNITY

We have always been filled with thanks for the community that inspired it all, and we are feeling that gratitude now more than ever! Our volunteers are truly the heart of the foundation and the hands behind the progress we've made so far. If you feel called to help out, feel free to contact us, there is always more to do!

## UPDATES IN THE EATERY

The eatery is really coming together! The natural light that floods in from the windows is unbeatable, and new bar-style tables will give customers the perfect place to enjoy their meals with a sunny view of our little town. Along with the main area, we are making gorgeous progress on the larger dining area. This room will be the perfect cozy-casual environment for a delicious meal with friends. As we grow closer to the completion of our interior, we have been focusing on getting everything cleaned up and exploring decoration and updates for the outside of the building.

The CBF just got a new administrative assistant! Josie is a junior at Hartville High School and serves at Hartville FWB church. We are super excited to have her here to help with newsletters, scheduling, social media content, website management and more!

## THRIVE CENTER UPDATES

Final funding approval has been made through the state to release funds to the city for the Thrive Center renovation. The structural and mechanical engineers are finishing up their portion of construction documents. As soon as that is complete, the project will be out for bid.

### **FUTURE PLANS**

Coming up, the foundation is making plans for a spring gala. It's sure to be an exciting evening for all who attend!

### **CALLING ALL VOLUNTEERS!**

The Community Betterment foundation will be hosting a volunteer dinner on March 24th to celebrate the efforts of all our amazing volunteers! If you've volunteered in the past, are a current volunteer, or are interested in helping in the future, please join us at the eatery building at 6pm.

### **HOPE LANDING NEWS**

The Mountain Moving Ministry is doing better than ever! Currently, the Hope House is home to 16 men! These men are a huge blessing to us, serving in jobs, local ministries, and within the community. As of right now, we are working on a new and improved gravel driveway at the house.
